

**Garth Sutherland - Adherium**

**Group CEO**

Garth has spent the last 30 years working for some of the world's top technology companies in Europe, North America and Australasia including Microsoft Corporation and Gallagher, and Nexus6/Adherium.

Garth graduated with a Masters of Science in Physics from the University of Waikato with First-Class Honours.

Garth founded Nexus6 in 2001; having had asthma all his life he wanted a solution for automatically tracking his asthma medication use to improve his asthma management. In August 2015 the Company's name changed to Adherium, upon listing on the Australian Securities Exchange.
