Gordon Waldron, Sequoia Business Solutions

Gordon Waldron has over 25 years experience as CFO for high growth SME's in the high tech, biotech and med tech sectors. Over the course of his career, he has raised over €190 million from an international, blue chip VC investor base and through an IPO on Euronext (net proceeds on listing of €50m). He has completed 9 (primarily cross-border) M&A transactions including a trade sale for cash consideration in excess of \$500 million. He has negotiated several business development and other non-dilutive funding agreements, which generated over €100 million in cumulative cash proceeds. He has also implemented organizational restructurings and established subsidiaries in the USA, Hong Kong and China.

In July 2015, he founded **Sequoia Business Solutions** to provide non-executive director services as well as financial, operational and strategic advice for high growth, innovative SME's internationally.

Gordon is a graduate of Duke University (USA). He is a dual UK / USA national. He is fully bilingual in French and English and is actively seeking to develop his activity in Australia and New Zealand.
