Julie Phillips, Managing Director, Opal Biosciences

Ms Julie Phillips is Managing Director of Opal Biosciences and is Chief Executive Officer of BioDiem, Opal's parent company. She has a strong background in the biotech and pharmaceutical industry, having worked as the CEO and Director of start-up Australian companies operating in the life sciences sector. Her technical background in clinical trials, regulatory affairs and pharmaco-economic assessment/pricing of therapeutics was gained in multinational pharmaceutical companies. She is Chairman of AusBiotech Ltd, the peak biotechnology industry association in Australia, a Director of the Medtech and Pharma Growth Centre, MTP Connect, and a member of Innovation Australia's R&D Incentive Committee. Julie has also been appointed to the University of Newcastle Council.
