Morgans Financial Limited

Morgans is Australia's largest national full-service retail stockbroking and wealth management firm, with more than 300,000 clients, 500 authorised representatives and 850 staff, operating from 60 offices in all states and territories. One of the key sectors of interest is the life science sector, where Morgans has developed a high level of expertise for over 15 years. Morgans provides advice and access to funding through initial public offerings (IPOs) as well as additional funding for expansion. Morgans has a research capability which provides in-depth and continuous reporting on company developments. For more information on understanding how Morgans can help your business contact Sam Street (sam.street@morgans.com.au).
