Dr Ron Laufer, Senior Managing Director, MedImmune Ventures

Dr. Ron Laufer is the Senior Managing Director and head of MedImmune Ventures, the venture capital arm of AstraZeneca. Ron started his career as a physician, before moving into venture capital. He was a Managing Director and co-founder of Lilly Ventures, the venture capital arm of Eli Lilly & Company, and later a Managing Director at Visium Asset Management, a healthcare-focused investment firm, before joining MedImmune Ventures in 2010. He is currently a board member of Adheron, Catabasis, G1 Therapeutics, Neuprotect and VentiRx. Ron received his B.Sci., M.D. and M.P.H. from Hebrew University, and an M.B.A. from the Harvard Business School.
