Sam Cobb

Sam Cobb is the founding chief executive officer of AdAlta.

Before joining AdAlta, Sam was the Business Development Director at the Co-operative Research Centre for Diagnostics. She has worked at the technology transfer companies at the University of Queensland, Uniquist and IMBcom, where she helped start a business called Nephrogenix and secured multiple pharma deals and income.

She holds a Bachelor of Science, a Masters of Intellectual Property Law and has completed the Australian Institute of Company Directors course.
