

Sam Street, Associate Director – Corporate Finance, Morgans

Sam specialises in equity capital raising for small to mid cap companies. Sam has been with Morgans for circa 10 years and has worked on over 100 IPOs, placements and rights issues.

A decade in the equity markets has provided Sam with deep-seated relationships across corporates and institutional investors both domestically and abroad.

Prior to joining the Corporate Finance team Sam was in the Equities Research team with Morgans in the Brisbane office. Sam has previously worked at Deloitte in tax and audit and in institutional banking at the Commonwealth Bank.
